

SHF Verbal Reporting Option Required Website Updates

Below are the four places where the SHF website mentions reporting along with suggested edit.

Focus Areas

Each program area has the following languages that needs to be updated (same update across all three Focus Areas):

Reporting Requirements

All grantees are required to report on progress towards the goals, objectives, and outcomes identified in the proposal and grant agreement. Specific due dates are included in the organization's grant agreement. Reports can be submitted through [the online grants management portal](#) or verbally via a virtual meeting with your program officer. All financials must be submitted through the grants management portal.
