NARRATIVE QUESTIONS

1. Tell us about the work of your organization. Please provide a brief description of your organization, including its mission, purpose, size, and the year of incorporation or first year of operation.
2. Tell us about your specific funding request. Describe the activities you are asking the Foundation to support, including the target population that will be served, the geographic area, and the community issue or need that will be addressed. Include the project's/program's timeline so that we understand your vision for what will be accomplished during the grant period.
3. List the expected outcomes of your specific funding request. How will you know that your work was successful and effective? If you are seeking funding for a specific project/program, please list the expected outcomes in brief, bullet format. For general support, outline your organization's primary objectives for the coming year in bullet format. The more specific you can be the better about who, what, when, and where in these bullet points. Please consider qualitative and quantitative measures. These outcomes may become your final report deliverables.
